Our attention to detail and providing a personalised service with our customers enables us to achieve a high class finish to your requirements.

- Kitchen Glass Splashbacks
- Bathroom Glass Splashbacks
- Decorative Glass Wall Cladding
- Signage and Whiteboards
- Commercial Projects

Our Splashback Finishes

Plain Coloured Splashbacks

Using low-iron crystal clear glass as standard, our splash-backs are painted to a high quality, unrushed and designed to create a striking finish.

Choose from our selection of popular nuetrals and colour shades, or choose from major colour charts available such as RAL, Dulux Trade, Farrow & Ball, Little Greene and British Standard colours. Splashbacks are one of a kind and are a long term high quality solution for any interior.

Pleasant note our colour swatches are for guidance use only we recommend looking at glass samples when choosing colours, we offer one free sample and additional available on request for a small fee.

Glitter Splashbacks

Add a bit of sparkle to your splashbacks. Becoming increasingly popular is the sparkle effect. Choose a regular paint and mix a sparkle effect. A variety of sparkle types can be used such as silver, gold, or even rainbow sparkle. The shine, glimmer and elegance is sure to brighten up any kitchen, the premium finish achieves a sense of wonder and is sure to impress and be the envy of others.

Choose your plain base colour then add your glitter effect or you can choose from our unique range of exclusive combinations the possibilities are endless.

Silver Heavy Glitter

Matt Splashbacks

Matt finish splashbacks are a cool twist to the standard glossy reflective surface you would normally find, understated yet sophisticated and when paired with led lighting or naturally bright areas matt splashbacks can create a soft beautiful look available in many colours to suit your kitchen or other interiors.

All our matt glass splashbacks come with EnduroShield - Hydrophobic easy clean feature to reduce cleaning time and prevent grease and dirt marks.

Easy Clean Glass

EnduroShield is a revolutionary invisible treatment that repels water, soap scum and grime, allowing you easier cleaning less often. Water will bead on the surface, demonstrating EnduroShield's repellent nature, and similar to a non-stick fry pan cleaning time is noticeably reduced. EnduroShield works on new and existing surfaces.

Makes Cleaning a Breeze

A regular wipe over with a microfiber cloth is all it takes, no more scrubbing.

Superior protection

Against the corrosive effects of soap scum, dirt, grime, lime scale, salt, chemicals, and hard water.

Reduces Cleaning Time

By up to 90%

Stays cleaner for longer between cleans

Professional application to new and existing glass surfaces:
Up to 5 year warranty.

Printed Colour Splashbacks

Print directly onto the splashbacks with your own design or select a theme and let our in-house graphic designers get to work. From skylines, beaches, landscapes geometric patterns or even a bespoke design created bespokely for you. Digitally printed splashbacks offer limitless possibilities for your creativity, let us help you create not just a splashback but a masterpiece of art in your interior space.

Design Consultations

Our in-house Design team can help transform your visions to reality making your splashback one of a kind we can work with you to create a true masterpiece for your home.

Mirrored Splashbacks

A striking alternative to regular painted splashbacks. Mirrored splashbacks are just as versatile as regular painted splashbacks with that added benefit of creating a sense of space and continuity to interiors and kitchens.

Mirrors are becoming increasingly common as splashbacks and it is their simple yet beautiful reflectivity that gives life to any interior.

Add an additional touch of colour to your mirrored splashbacks by using grey, bronze or even give a traditional look with antique mirrors. These mirrors when complimented with your interior can delightfully achieve stunning results.
